

Local Attractions

The historic village of Mumbles has many good restaurants, cafés and cosy pubs.

The Gower Peninsula, Britain's first Area of Outstanding Natural Beauty is a haven for lovers of nature and the outdoors. We are lucky to have some of the country's finest beaches, coastal walks, wildlife habitats and a fascinating history.

For sports lovers there are tennis courts, golf, horse riding, surfing and other water sports. Nearby Swansea has a well equipped leisure centre, theatre, cinema, museums and galleries. For the more adventurous, Gower has abundant climbing and nearby Afan Valley boasts world class mountain bike trails.

Find us

Leave the M4 at J42 following the A483 to Swansea. Crossing the river approaching the city centre this becomes the A4067. Follow this for 4 miles around beautiful Swansea Bay to the village of Mumbles.

Turn right at the mini-roundabout on the edge of the village onto Newton Road for 0.3 miles then left at traffic lights onto Langland road for 0.7 miles. Ignore the first left turn sign-posted Langland Bay. The road bends sharply to the right just before a prominent church, take the immediate left on the bend onto Brynfield Road.

After 60m take the first left, Langland Court Road, and the first left again. Follow the road for 150m then bear right onto a private lane to the Woodridge Court car park.
